A. A. HOLS SPIRITED MEET

New Director Reviews Old Traditions

A meeting of the Athletic Associa-
tion of the Philadelphia College of Osteopathy was held Tuesday, October 20 at 11 A.M., in the colleges library. The various student athletic associations of the college as well as the officers of the athletic council as a whole attended the meetings in such sports as basketball and soccer.

Mr. Eliscu plans to revive old-time student traditions. He promises to hold a formal rushing for Fraternities beginning on Friday, October 2, when the Neurone Society promises more

The professional portion of the meet- ing was opened with session of the North Virginia Osteopathic Society. This talk took the form of a clinical demonstration. The other two lectures dealt with “Electro-coagulation of Tonsils.”

Dr. Green, prominent in the social event. Dr. Pearson and the dramatic presenta-
tion of Aristotle. The latter actually studied medicine, but special mention should be

The program follows:

A general assembly was held on Oc-
tober 23 by the Student Council at 11 A.M., in the College of Osteopathy. Dr. Sterrett, who was introduced first and was one of the delegates to the Neurone Society. He told the delegates assembled that he believed in the profession and was in favor of fair public relations. He believed that the profession should be held in high esteem.

Auxiliary to Hold Card Party

Elaborate Affair at Bellevue

The Women’s Auxiliary of the Osteopathic Hospital will hold one of their important social functions of the year. The committee in charge of the program for the hospital will hold a card party at the Bellevue-Stratford Hotel on Saturday afternoon, November 19.
